

G.O.G Downhill hangers (pair) GOG (Gang of Germany)

GOGDH1

\$ 130.00

In stock (06/09/2010)

Manufacturer : G.O.G.

Description

Downhill CNC'd precision hangers, designed to fit Randal baseplates. 200mm wide, 8mm axles. These have a spherical bearing in the hanger. Sold in pairs, hangers only. These are one piece, so the pivot is not removable and so will fit Randal or Randal compatible trucks only. Made in Germany. These are anticipated to be on stock mid May. Developed by Pavel.
